Watch for the new Foveon X3 technology sporting a new type of sensor that can apparently capture digital images virtually grain-free, exceeding even slide film! Sigma's D-SLR for \$3000 is first entry in the field.

Foto Fan Fare is the official publication of N4C, the Northern California Council of Camera Clubs, a federation of 14 Camera Clubs located in the greater Bay Area. Its goals are to hold monthly competitions among member clubs and present special informative programs whenever possible.

Any articles, letters to the editor or editorial comments are the opinions of the authors, and not official N4C policy.

Articles or other information published in **Foto Fan Fare** may be copied for camera club use, provided proper credit is given.

BOARD Notes

A brief resumé of the February 11th meeting:
Treasurer's Report: Because of the attempted theft (see last month) the old account has been closed and a new one opened. No financial report because, as of February 11, it was still not known how many checks were outstanding. A major boost to N4C's treasury was a \$1000 check from FotoClave profits.

Vice President: A short discussion ensued concerning whether we should check out other hotels besides the Holiday Inn for our Annual Luncheon in January. The Woodfin Suites and the GrandView Pavilion in Alameda were mentioned as possibilities. VP will report back at next meeting.

The Audit Committee consisting of Jim Deibler, Chris Kibre and Glenn Corlew will have a report at the next meeting.

FotoClave: The FotoClave 2002 is slated for November 1 - 3 at the Doubletree Hotel in Modesto. Room prices will remain at \$79. San Joachin Valley Council is the host with Norma Mastin and Jerry Hixson as chairs. **Reminder:** August will be the deadline for entries for the FotoClave annual competition. Delegates were urged to promote the event, so there will be enough hotel room usage without penalty.

The Yerba Buena Chapter meeting, "Digital Fun" had 72 enthusiastic attendees.

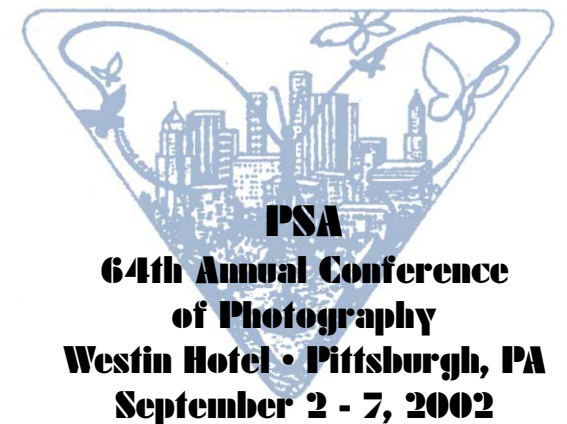

Asilomar: The Gold Rush PSA Chapter with which Yerba Buena shares responsibility for

Asilomar, has indicated that they do not have the manpower to continue this effort in the near future. They suggested more Chapter Days, field trips, a possible alternate site for a joint meeting.

PSA Chapter Showcase, which is the annual PSA competition for the International Convention to be held in Pittsburgh, PA, will need entries by April 1!!! Two slides maximum (see article included in *Foto Fanfare*.)

Competition Rules: The updated rules were handed out by Eleanor Webster head of the Competition Committee.

Faltering Member Clubs: It was noted that the Focus and Tracy clubs had been absent for the last two N4C meetings, and concern was expressed as to their continuance as club members. Focus, it was pointed out, had disbanded but there were some efforts being made to reconstitute it. Tracy apparently doesn't meet in December and January, thus would have no entries for N4C. The Board decided to support them by having our secretary send copies of the *Foto Fanfare* with a copy of the minutes.

**You'll be amazed
at what this city has to offer!**

NEW N4C DEFINITION FOR THE CREATIVE DIVISION

The N4C Board has approved the following definition for "Creative:" The concept was to expand the category to include straight photography whose primary intent is creative, and to notify the judges that "creative" goes well beyond the realm of abstracts.

CREATIVE (C)

Creative photography is producing an image through the use of imaginative skill or originality of thought including the altering of reality. No image should be eliminated from competition simply because it looks realistic, provided it shows originality of concept. This includes modifications in the darkroom, on the computer, or in the camera, as well as unusual points of view, imaginative use of subject matter or lighting, or any other presentation that begins with the maker's photograph or a collection of photographs.

PSA NEWS

by Alyce & Jim Pagano,
Directors, Region #11

**2002 PSA Chapters
Showcase**

The Cosmopolitan Chapter of New York is the host chapter for the 2002 PSA Chapter Showcase. They have published the guidelines which, in pertinent part, is printed below:

Entrants are allowed to submit two slides, however each person may receive only one (1) acceptance.

As in the past, only ten (10) slides will receive an acceptance from a Chapter. Since all accepted slides must be in the host chapter's hands by April 15th, the deadline for submissions is April 1st. Those submitting slides in the Yerba Buena Chapter should get them to:

Alyce Pagano
215 Red Rock Way, Q304
San Francisco, CA 94131
4152854535
jamesp1803C@aol.coxn

All PSA members, in good standing, who also maintain a membership in a Chapter are eligible to participate. Members who belong to more than one Chapter may represent only one Chapter. Slides shown in previous PSA Chapter Showcases are not eligible.

Slides must be submitted in the 2X2 format with a film area no larger than 24X36, must be of the Pictorial category, and must not have a copyright, symbol. No glass mounts allowed. They should be spotted in the lower left corner

when viewed correctly. A black spot is preferred.

The slide should be labeled with the title and maker's name and address.

All entries received by Cosmopolitan Chapter will be duplicated. The original accepted slides will be returned sometime in mid-July.

Winning entries will be announced at the PSA International Conference in Pittsburgh, PA in September. Good Luck!
