**Natalie Barton,
Former Print Chair Passes Away**

Natalie, who is well-known to almost all of our members for her eight-year service as Print Chair for N4C died suddenly on Christmas Eve of an aneurism.

Her dry sense of humor and willingness to take on the huge task of lugging heavy prints with all the logistical work entailed, had endeared us to her. Not only had she been N4C’s print chair, but she also served as a judge for many years. In addition, she had

simultaneously served the Contra Costa Camera Club as their print chair.

Until the last few years, she remained physically very active, engaging in traveling, skiing, tennis, and gardening. She was also an excellent bridge player. She is survived by her son Peter and daughter Janet.

Natalie had well-earned her N4C credentials. We will very much miss her unflagging spirit and her willingness to put her heart and soul into her volunteer activities.

Jim Deibler, Former Secretary for N4C, Has Unexpectedly Passed Away

Most of us are well-acquainted with Jim who recently died peacefully in his sleep. It was quite a shock. In addition to his Board work with N4C, Jim has probably been the most ubiquitous N4C judge that we have ever had. We will all miss him very much.
