Fremont Photographic Society

March 13 - June 2 - Member, Fred Hom, has 3 images in a group exhibition called *The Eye's Bidding*. The exhibit, curated by Artsource Consulting, is on display in the Mills Building, 220 Montgomery Street, San Francisco. Viewing hours are between 8:00 AM and 6:00 PM. Congratulations Fred!

Marin Photography Club

The Marin Photography Club (MPC) invites you to join them for a very how-to, nuts and bolts, all questions answered **Education Night on May 8**. Eric Ahrendt, an Adobe Certified Expert on Lightroom, will present "Five Slick Lightroom Develop Module Tricks". Tricks will include:

- Re-lighting your subject
- Sharpening with masking
- Syncing settings
- Focus blending with Photoshop
- Refining masks with the brush

If you have encountered any or all of these issues, or would like to learn about them, this is a night for you. Eric, a judge for MPC, has a long history of learning, exploration and involvement with photography. He will be sharing his knowledge of post production and making the most of images. This will be a good chance to increase your skills and have your questions answered.

The presentation will begin at 6:30 PM at the Drake's Landing Community Room in Greenbriar, next to Jason's restaurant on Sir Francis Drake Blvd. There is a \$5.00 entry free for non-MPC members.

Livermore Valley Camera Club

November - Photo display at the Livermore Library at 1188 S. Livermore Avenue.

Millbrae Camera Club

David Coleman and fellow MCC members recently started a Google map of the "Best Bay Area Photography Spots". It started as a personal bucket list, but quickly grew into a useful tool for local photographers.

The map is a free resource to everyone, and has nearly 120 locations, organized by category (landscapes, street, city, flora/fauna, etc.). It's a work in progress and they welcome your feedback and suggestions. Check it out: davidcolemanphotography.com/resources.

Promote club/member photo exhibits here. Email details to fotofanfare@gmail.com and we'll include them in upcoming editions.
